Clifford - 7/3/87

- His accountant, Downey, says Scanlon is trying to open up an over-18 place.
- He is going to cause me a problem. He fools around with kids. He is in difficulty.
- BOS-01 - Norwood - Dir of Spec Ed in Norwood is on Board at Pilgrimage. To keep him out of DYS I sent him to Scanlon. Why happened. He ended up going away. They let him out. Why did you send me to that guy. All the kids make a deal to play with him.
- Joe Collins told him to his face.
- I don't have him dead to rights.
- B'nai B'rith School sent me a fire letter. I sent him to Pilgrimage. Connection was got made - they let him out. Scanlon said I don't want Clifford into Pilgrimage.

7/7/87

- My memory goes back 3 1/2 - 4 years ago
- When Joe looked at school, it smelled
- Only Joe + I have talked
- Generally speaking, Rod Smith - the spec ed. director, keeps his own
- This is not rampant on the streets
- I'll sniff around. I'll have to tell you it stinks.

F.X.1.

- Joe Collin said to hear at wedding party
that D.A. had received complaints about
him at Norwood.

7/7/87 - I spoke to Bill Scanlon. He denied any problems
at Norwood or Pilgrim Center. Mentioned people who
might not get along with him (Smith + Clifford).
His reactions of innocence were appropriate + I
said matter was ended unless I had back up
to the charges.
